Track Chargehands

Crane Controllers

Lookouts

Engineering Supervisors (ES)

Machine Controllers

Controllers of Site Safety (COSS) – maybe also holding AODs

Permanent Way Supervisors with good Installation/Renewals/Maintenance experience in both Plain Line and S&C

Why not get in touch with us?

How about sending us a brief summary of what you could offer to Jeep Rail and our Head of Track will respond to you and let you know what Jeep could offer you? Send us that summary by email to recruitment@jeeprail.com please. To start a discussion with you, we just need to know your name, Sentinel Number and a phone number we can contact you on. Ideally, you could also tell us what experience you have to date and what you're looking for.
